CINCINNATI DAILY PRESS. AN INDEPENDENT NEWSPAPER. PUBLISHED EVERY MORNING.

SUNDAYS NOT EXCEPTED. H. REED & Co. PROPRIETORS.

ONE CENT! SEVEN CENTS PER WEEK! Mailed at Three Dollars and a Half a Year OFFICE: VINE-ST., BETWEEN THIRD AND FOURTH OFF. THE CUSTOM-HOUSE.

The Proprietors of the DAILY PRESS offer to the public a complete newspaper, into which more matter is condensed than is contained in some dailies of much greater pretensions in size, and which they furnish at a price that brings it within the reach of every man and woman in Cincinnati, who are able to labor.

We ask a fair comparison of the Press with the other papers of this city or of any other city, and the judgment of our readers whether we do not furnish a paper equally attractive at one-half, or less than half the cost of the other Cincinnati dailies.

From its large circulation, and from its wide reach, it has become a medium for the dissemination of useful and interesting information, and it is increasing at a rate equal to the most sanguine expectations of its proprietors.

MISCELLANEOUS. W. E. Braman & Co.'s NEW STYLE SEWING MACHINE.

The attention of families is now for the first time publicly called by the manufacturers to their new style of Sewing Machine.

They have submitted it to trial and the critical judgment of the best mechanics and experts, by all of whom it has been pronounced to be one of the BEST MACHINES IN THE MARKET!

This Machine is now put before the public on its own merits, and will be found equal to the most expensive machines, in all the following particulars, and in some respects altogether superior:

1.-In simplicity of construction and action; 2.-In durability and non-liability to get out of order; 3.-In the quality and amount of work which it will do in a given time;

4.-In the facility with which it will work on all kinds of fabrics, from the coarsest to the finest cloths and textures; 5.-In the ease with which one can learn to use it;

6.-While with cheapness, combined with excellence in the case with which it runs, it is without a parallel; 7.-Cotton, silk and linen can be used from the original spool;

Persons in want of Machines are respectfully invited to call and examine ours before purchasing elsewhere. Agents, traveling and local, are wanted to sell this machine throughout the United States.
